

THIRD-PARTY INSPECTIONS IN A SNAPSHOT

BUILDING VALUE:

StyleCraft covers the cost of the third-party inspection, estimated at between \$400 and \$1,000, which puts money back in your pocket.

NAILING THE DETAILS:

Our third-party inspections are a thorough exam of your home, from the top of the roof to the bottom of the foundation.

We cover the following areas of your home:

ROOFING

EXTERIOR

FOUNDATION
& STRUCTURE

ELECTRICAL

HEATING
& COOLING

PLUMBING

INSULATION
& VENTILATION

INTERIOR

DOUBLING DOWN ON QUALITY:

An inspection with only one report is only halfway done. After we fix any outstanding issues, we come back and produce a second detailed report. Both are available to review anytime via our user-friendly homeowner portal, CustomerLink.

REAPING LONG-TERM BENEFITS:

Homeowners who sell their home down the road can confidently share the high-quality building process detailed in inspection reports with potential buyers.

To learn more about third-party inspections, contact your Sales Consultant or call 804.523.HOME.
